

Fairford Town Council

Community Capital Project Grant

Town Council Vision for Fairford

“Fairford will continue to be a working community that recognizes the distinctiveness of the people who live, work in or visit the area. Fairford Community Plan aims to conserve Fairford’s attractive environment and heritage while providing jobs, accessibility and facilities for all.”

Aims to support the Vision

To facilitate the Vision the Council has identified three key aims:

1. To maintain and manage the town in accordance with the wishes of residents and so ensure it remains an attractive place to live and work.
2. To protect the town from any unwanted or unsustainable form and scale of development which may damage its heritage and historical significance and features, wildlife and green environment.
3. To take an active part in determining how the town should develop and ensure that there are appropriate community facilities and services

The community capital project grant forms part of the Council’s 3rd aim.
